

ARCHANGEL

In the beginning God created all things and the mighty angel Lucifer rebelled against Him along with one third of the other angels. So God administered Michael the Archangel to cast them out of Heaven. It is written that at the end of the age God will send the Archangel down with a chain and a great struggle will occur and the Angel will lay hold of Satan and bind him with the chain and cast him into a bottomless pit.

The Archangel Michael, victorious in all his splendor and might. Praise be to God the Father and all His glory!

What – Is going to save you from hell?
No way – to stand against the archangel
Hand – hand of God is near
Say he's – nothing trembling in fear
Archangel
Michael – the great prince will arise
People – the good lives the rest dies
Lost – lost the war its true
Satan- the Lord rebukes you
Archangel

WALK TO EMMAUS

Give up the ways of the world was the prophecy
Leaving a life of sin was a lot for me
God gave His Son so my soul may live
Promised true love and always forgive

I need some shelter; I feel the grace of the Lord
I know salvation, I see the way the way
We know the way, come with us
Walk to Emmaus

Nailing your sins to the cross will set you free
Burning the baggage of guilt you never need
Confess your wrong will turn those coals to ice
Praying for strength as you start your walk with Christ

I need some shelter; I feel the grace of the Lord
I know salvation, I see the way the way
We know the way, come with us
Walk to Emmaus

THE MIRACLE

Well you got to have proof; you want to see it right now
It only works by faith, it makes the lost the found
He was born to die, that you might live
Jesus the Messiah, gave all that he could give

Do you believe in a miracle?
You want to see the miracle
Enter the new millenium
The Bible's words come to pass!
The scripture's message foretold
Escape the devils foothold
Do you believe in a miracle?
You want to see the miracle

Water from the rock, snake from the rod
Fire from the bush, life from the dead
Daniel from the lion, David from Goliath
Jonah from the whale, life from the dead
Brothers from the furnace, health from the ill
Strength from the weak, life from the dead
Wine from the water, sight from the blind
Jesus from the grave, life from the dead, all right!

Do you believe in a miracle?
You want to see the miracle
Enter the new millenium
The Bible's words come to pass!
The scripture's message foretold
Escape the devils foothold
Do you believe in a miracle?
You want to see the miracle
I believe in the miracle!

DRAW NEAR

Bring me closer Jesus, hold me tight
When I turn away from you, make it right

Teach me your ways oh Lord
That I may walk in your truth
And give to me an undivided heart
That I might fear your Holy name
If I draw near will you be here?

Come, wont you come?
Holy one light of the world
Come, wont you come?
Risen one I need you here
I've come to draw near

If I draw near will you be hear?
I've come to draw near
So teach me your ways oh Lord
That I may walk in your truth
And give to me an undivided heart
That I might fear your Holy name
If I draw near will you be here
I've come to draw near!

SEEK THE CROSS

Look at the world gone wild
Pity the innocent child
Most of the souls will bleed
Just another, starving for morality!
Seek the life, seek the sword, seek the power, seek the Lord
There is peace, there's no loss, there is hope
Seek the cross
Look at the rich so vain
Watching the poor in pain
Most of the souls will bleed
Just another, starving for morality!
Seek the Lamb, seek the dove, seek the truth, seek the love
There is peace, there's no loss, there is hope
Seek the cross
Seeds of thorns you sow
Feel the undertow
Most of the souls will bleed
Just another, starving for morality!
There is peace, there's no loss, there is hope
Seek the cross! Yeah!

GET TOUGH

Stand firm with the belt of truth buckled around your waist
And the breastplate of righteousness in place
Take up the shield of faith and extinguish the flames
With the helmet of salvation and the sword of the Spirit that's the word of God!
Get tough!
Won't you listen to me gonna get rough
Hard times headed better you get tough
I'll make it through the roughest time of my life
And it is true, I'll give it all to Christ
If I never please anyone in this life
May I please you, may I please you Jesus
Put on the full armor of God
You struggle not against flesh and blood
You're fighting powers and principalities
The sword of life is all you ever need
To get tough, get tough
You better get tough!
Are you able to stand your ground?
Is the devil pulling you down?
You're fighting rulers and authorities
Of this dark world and evil entities
Get tough, get tough
You better get tough!
I made it through
He picked me up
I paid my dues
And that's enough if it's up to me yeah!
You better get tough!
Get tough!
You better get tough man!

FORGIVEN

There was a time in my life I rebelled
And I gave way to a world of sin
I was wrong and selfish, I fell in conviction
Something changed me from within
Gave my life to Christ, punishment and guilt,
For the way I was living
But now I'm just forgiven`
My flesh subjected, rising spirit,
Engulfed in power, deception I bind
Not all old ways have died, transfigured by grace
Angelic truth I find
Gave my life to Christ, punishment and guilt,
For the way I was living
But now I'm just forgiven`
Give your life to Christ, eternal, your soul is saved
And now forgiven`
Yes now you can be forgiven`
Yes I am the few
Chosen by the king
He has brought me life
I will never die!
I am not what meets the, I am not what meets the eye!

THE 2ND REVELATION

Peace, tranquility
Love, like you've never seen
Hope, restoration
God, revelation

Cant you see the end is drawing near?
Hand of God raises and Christ is here!
All right now!
Want to be, want to see, want to change my life today!
Want to live, want to give, want to love not hate I pray!
Walk by faith not by sight, need the light to find my way!
The word!
Cant you see the end is drawing near?
Hand of God raises and Christ is here!
Oh come on!
Open your heart to the Lord.
In this fallen world.

IN THE LONG RUN

There's a feeling I get in the lonely days
When the things I love seem to slip away
But, the truth always lives and the love still remains
And the comfort is there for the things that cause me pain
Yes I know, there is sure security
Yes I know, in the long run
When my life on earth is done
There is a plan to carry on
When my soul is set free to fly
I know I'll find my way
Yes I know, there is sure security
Yes I know, in the long run

SOLO

When my life on earth is done
I know I'll find my way
When my soul is set free to fly
I know I'll find my way
Yes I know, there is sure security
Yes I know, in the long run the long run
In the long run, oh yeah!
Do you know how I feel?
I'll find Jesus
Do you know we could meet in the end?
I'll find peace
Yes I know, I'll find Jesus
Yes I know, in the long run I'll find peace
In the long run, oh yeah!

THE MESSAGE

I just invite you to take a few minutes and think of all the things that God has done for you, even if you think you don't know God, He knows you and He loves you! You might not obey Him or even recognize His existence but He still loves you, and nothing can separate you from the love of God unless you die without having a personal relationship with Jesus Christ.

There's times when we think "how can God love us and still allow disease, injury and hardships into our lives", but the Bible tells us that He allows these tribulations to build character, perseverance and to test our faith and see if we turn away, or turn to Him, and there will be a great reward in Heaven if we pass these tests.

If you don't have a personal relationship with Jesus Christ I encourage you to ask Him into your heart. Jesus said "no one gets to the Father but through me" and I think we need to forget about all the religious politics of today and focus on Jesus, because that's how we're going to get to heaven- through faith in Jesus Christ.

I encourage you to pick up the Bible and start reading the New Testament and the Gospels of Jesus and see what an awesome man He was. He was the only perfect, sinless man to walk the face of the earth and yet He loves us so much He took the blame for all of our sins. We deserve to die as sinners, but He took our place on the cross so we can be saved and have eternal life, so we can live and not die, but be reborn as children of God. If you don't have a Bible you can buy one for as little as 10 – 15 dollars, or write to me and I'll make sure you get one.

So I ask you, what has God done for you in your life that you take for granted? God bless.
